The B.S. in Engineering Technology prepares graduates for a variety of engineering associated positions with industry. Program Requirements. In addition to the university's general requirements, students seeking the B.S. in Engineering Technology must meet the requirements listed below.

Engineering Technology - Undergraduate Catalog ...

CPUT is the only university of Technology in the Western Cape, and the largest university in the province.

Clothing and Textile Technology - CPUT

The knowledge economy is the use of knowledge (savoir, savoir-faire, savoir-être) to generate tangible and intangible values. Technology, and in particular, knowledge technology, helps to incorporate part of human knowledge into machines. This knowledge can be used by decision support systems in various fields to generate economic value.
